

## MANITO POPCORN FESTIVAL

February 20, 2017

Lee, Ken, Judy, John Parkin, Dorothy, Rayeann

Go Daddy changes are not done yet.

Pancake and Sausage Day will be Saturday, February 25, 2017 at the primary school cafeteria.

John:

Signs have self-destructed and couldn't be used this year. Rayeann offered to print some large signs but they wouldn't be water-proof and rain is in the forecast.

Rayeann will call Scott Nickerson to have it put on the electronic sign and the fire dept to see if they will add it to their sign at the fire dept.

Ken will call Paula Charlton to see if she will add it to her sign on the corner at Jeff Sondag's.

Sausage price has been increased to \$4/lb. due to the cost of processing and increased hog prices. Ribs and backbone will continue at \$2.50/lb. Heart, tongue, and liver are free. Lard is \$.50/lb.

John has purchased 2 pancake droppers online. We'll see how they work and may purchase another one or go to bigger ones.

John has purchased most of the groceries needed. Dorothy will pick up 26 1 lb. butter packs that have two per lb.

John will be going to Atlanta on Tuesday with the totes to carry the meat back on Friday.

Sandy Morton will take care of the drink table. Rayeann has ordered the milk. Dorothy will pick up 2 coffee carafes and 2 water pitchers. The Methodist Church has loaned us their large coffee pot in the past but they are donating it to us this year.

Dorothy has adult workers lined up and Rayeann has student help.

Rayeann's assistant, Sherri Cline, and John's secretary, Dee Emmons, are working together to put together the spreadsheet and tags for the pre-ordered meat.

Rayeann will print meat price signs. And pick up the supplies from the building.
